

Wednesday, October 31st - Fall Costume Walk at Rushwood.

We know how excited Rushwood students are about dressing up. Please review the following Fall Walk dress guidelines with your student.

- Students are permitted to wear face paint/colored hair, just not excessive
- Costumes are to be in good taste without displaying gore, blood or violence.
- Props and Masks may be brought to school, and must fit in student back pack until end of the school day for the parade **ONLY**.
- Hats or wigs are permitted, but must not interfere with learning.
- **DRESS CODE** guidelines from the student code conduct will apply.

Thank you for your help and support in making this a fun Fall Walk!

Teachers may ask students to remove part of a costume that causes a distraction during the school day. As a guiding rule - "We are having fun, but dressing so that learning can continue."

Parents/families are cordially invited to watch our parade that begins at 2:15pm. Weather permitting, we will walk outside on the sidewalk that runs parallel to the main entrance.

Sincerely,

Dr. Jacqueline O'Mara

At the conclusion of the walk, parents are permitted to take their child(ren) home. Sign out sheets will be with your child's homeroom teacher. Please DO NOT park your car in the car pick up line as this will hold up our dismissal process.
